

# Interdependence Themes

(Hexagon Project)

## **HUMAN RIGHTS** of every person

We are one human family. Examine consumerism vs. having enough

Being more vs. having more

## **DIVERSITY**

Freedom for and acceptance of religious, ethnic, backgrounds, cultural identities, abilities.

Personal and group dignity

## **COMMONALITIES**

### **& IDENTITY**

Having Empathy-

We are similar and share common experiences. We can

connect to issues that are

personal and local with issues that are global.

## **Interdependence**

### **Goals:**

1. To see ourselves as citizens of one civilized world, recognizing responsibilities to the common goods and liberties of humankind as a whole.

2. To explore these themes through “activist” art-making

## **ENVIRONMENT**

We need a safe, sustainable global environment

We are one community

We only have one earth to protect or destroy

## **CHILDREN**

We need to protect children’s rights and goods and insure they obtain

Safety, Health and Education

## **TECHNOLOGY**

Use positively and ethically to create informed global communities

## **GOVERNANCE**

We need to understand peoples’ rights to govern themselves in a manner that allows them to flourish. Democratic rights and responsibilities.
